The Rescue Project Volunteer Application The Rescue Project (TRP) is a non-profit organization dedicated to building trustful relationships with people and their pets and improving the lives of needy animals living in underserved Kansas City communities. We provide basic survival items such as food and doghouses and offer low cost veterinary resources emphasizing the need to spay and neuter. We also provide community education/awareness to the public on responsible pet ownership and empower people to make a difference.

WHAT WE ASK OF VOLUNTEERS

Reliability

We ask that you notify us immediately if you are unable to attend a previously committed to volunteer or outreach event.

Dedication

We certainly realize that rescue work can often be unglamorous, thankless and grueling. Please let the thankful eyes of our animals be a continual reminder of how important our work is. The truth of the matter is that without our dedicated volunteers working together as a team, most of these animals would literally not be alive! We hope you will find your experience to be rewarding. Every volunteer going on outreach must read our "Outreach Guidelines" before going on outreach. This will be provide to you on your first day out! Thank you so much for volunteering for The Rescue Project. We are thrilled to have you onboard!

AGREEMENT AND SIGNATURE

Volunteer Agreement and Release I, _____, am requesting a volunteer position within The Rescue Project. I agree to read and follow the rules and guidelines of the organization. I agree to not hold any director, employee, board member, or any individual personally or otherwise responsible in the event that I sustain personal, financial, emotional, or property loss/damage while serving the organization. I agree to follow the supervision of all persons involved in volunteer management. I understand that as a volunteer I am an important representative of The Rescue Project and must do my best to represent TRP in a manner that is consistent with its articles, by-laws, guidelines, and philosophies. I have read and understand the volunteer release and agree to adhere to its entirety. Further, I understand that if I respond to a situation alone regarding an animal in need and take in the animal without the permission of the Foster Coordinator or Executive Director, The Rescue Project does not guarantee placement of the animal in their program and I am liable for it's care and placement. I understand that if I go out on my own in to the community on any type of outreach involving an animal without an "Outreach Lead", I am representing myself only and am at that time, not acting as a member of The Rescue Project and TRP holds no liability in my actions.
